evilevilcouch@gmail.com: :-p
me: Tunisia stuff's going well
me: got another post out
evilevilcouch@gmail.com: hooray!

me: use this from now on
me: tweet it, facebook, etc
evilevilcouch@gmail.com: k
evilevilcouch@gmail.com: did you write that al jazeera article today?
evilevilcouch@gmail.com: hey random ques
evilevilcouch@gmail.com: er
evilevilcouch@gmail.com: i have a sorta-internet-friend at forbes
evilevilcouch@gmail.com: er, he writes for tech stuff on forbes
evilevilcouch@gmail.com: http://search.forbes.com/search/colArchiveSearch?author=taylor+and+buley&aname=Taylor+Buley
evilevilcouch@gmail.com: i dunno if you would have something to say to him to maybe pitch something there, or if maybe i could bug him and ask if he has any interest in writing about what you're doing
me: I will
me: sounds like a good participant
evilevilcouch@gmail.com: k
evilevilcouch@gmail.com: want me to message him first?
evilevilcouch@gmail.com: he posts on YH
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: i can't remember who he is on there
evilevilcouch@gmail.com: but he super knows who the fuck i am, bahahaha
evilevilcouch@gmail.com: http://twitter.com/#!/taylorbuley
evilevilcouch@gmail.com: oh yeah he's mainly a web dev at forbes.com
evilevilcouch@gmail.com: but he writes for them at times
evilevilcouch@gmail.com: hay
evilevilcouch@gmail.com: "i'm actually a programmer these days, so i'm not writing myself. is he looking to write something or get written about?"
me: either one
me: I'm going to write a couple different pieces on this aside from the al-jazeera version

me: I guess just explain the situation to him so he can better decide what to do
evilevilcouch@gmail.com: okie well i asked him that
evilevilcouch@gmail.com: we shall see when he replies n stuff
me: n stuff
me: gotcha!
evilevilcouch@gmail.com: on a random note
evilevilcouch@gmail.com: i think it's sorta odd that the last few dudes i dated/did for a significant amount of time over the past year were blonde
evilevilcouch@gmail.com: well, not "odd"
evilevilcouch@gmail.com: interesting trend
evilevilcouch@gmail.com: well, except for the actor i dated for two weeks and bartender/ gamestop guy
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: anyway
evilevilcouch@gmail.com: btw when at the store today i picked up some liver cleansing supplement thing
evilevilcouch@gmail.com: that'll help with your attempts at getting off of suboxone
evilevilcouch@gmail.com: er, like, it'll apparently help your liver work better
evilevilcouch@gmail.com: cause bscly with the toxins all getting released by your body, your liver gets overloaded and it makes the withdrawal symptoms worse or something
evilevilcouch@gmail.com: i don't know
evilevilcouch@gmail.com: anyway
evilevilcouch@gmail.com: duder was saying that there were a few people that took it that were getting off of something (an alcoholic, someone that hat hep-C, and a couple former drug addicts) and they all said it worked for them
evilevilcouch@gmail.com: the hep-C person said it bscly fixed their liver
evilevilcouch@gmail.com: but yeah the former alcoholic and drug addicts said it helped them and made their withdrawal symptoms lessen
evilevilcouch@gmail.com: also, random, you could prob recruit my sister's friend that's a harvard prof
evilevilcouch@gmail.com: he does something with radiology for harvard medical
evilevilcouch@gmail.com: he conducted some research or something on anthrax for the government back in 2003 or so
evilevilcouch@gmail.com: but
evilevilcouch@gmail.com: um
evilevilcouch@gmail.com: i have to design his book first

evilevilcouch@gmail.com: she's finishing up her residency in philly
me: sweet
evilevilcouch@gmail.com: she went to school for international medicine in israel
me: talk to her
evilevilcouch@gmail.com: she had some internship in DC
evilevilcouch@gmail.com: at some non-profit that attempts to end modern day slavery
evilevilcouch@gmail.com: e.g. apparently slavery is more rampant than ever before in history
evilevilcouch@gmail.com: i.e. sex slave trade
evilevilcouch@gmail.com: women sex slaves
evilevilcouch@gmail.com: etc
evilevilcouch@gmail.com: i think she wants to be a doctor in the middle east or northern africa or something
evilevilcouch@gmail.com: this is from her "about me" on fb
evilevilcouch@gmail.com: "I intend to get rich with hard work, a lot of effort, and paying my taxes. And then, I'm gonna leave this mess, go into the wilderness, and serve the poor. Come on, come with me.

...A purpose of human life, no matter who is controlling it, is to love whoever is around to be loved... - Kurt Vonnegut.

... that is why writers have to have two countries, the one where they belong and the one in which they live really. The second one is romantic, it is separate from themselves, it is not real but it is really there... - Gertrude Stein."
me: very well
me: oh, Gertrude Stein
evilevilcouch@gmail.com: lol
